DISTRICT OF OREGON

PORTLAND DIVISION

UNITED STATES OF AMERICA

Civil Case No. _____

Plaintiff,

v.

JANET DAVIS MAJHOR,
aka Janet Davis Majhor, and
Janet-Davis: Majhor,

MOTION FOR A TEMPORARY
RESTRAINING ORDER AND
PRELIMINARY INJUNCTION

Defendant.

Pursuant to 18 U.S.C. § 1345, Fed. R. Civ. P. 65(b), plaintiff United States of America, by and through the undersigned Assistant United States Attorney, hereby moves for an order restraining defendant Janet Davis Majhor aka JANET DAVIS MAJHOR and Janet-Davis: Majhor, from further violating 18 U.S.C. § 514 (Fictitious Obligations), 18 U.S.C. § 1341 (Mail Fraud), 18 U.S.C. § 1343 (Wire Fraud), and 18 U.S.C. § 1344 (Bank Fraud) through the use of a fraudulent redemption scheme, and enjoining defendant from attempting to discharge debts of

private individuals by filing with banks, Departments and Agencies of the United States, other creditors and documents including, but not limited to “Registered Bonded Promissory Notes.” In addition, the United States seeks to enjoin the defendant from any further efforts to enforce any Registered Bonded Promissory Note by any further claims or demands on the banks or creditors.

1. This motion is based on the Complaint for Injunctive Relief pursuant to 18 U.S.C. § 1345, dated May 13, 2010, the Affidavit of Matthew Johnson and Special Agent Sean J. Hamblet, the Memorandum of Points and Authorities in Support of Plaintiff’s Motion for Temporary Restraining Order and Order to Show Cause re: Preliminary Injunction, and on such oral argument as the Court may permit.

2. The undersigned certifies pursuant to FRCP 65(b) that no effort has been made to give defendant notice of the government’s intent to seek a temporary restraining order. No effort has been made because the government is unaware of her current whereabouts and due to the fact that she continues to attempt to fraudulently discharge the valid debt owed to Mid Oregon Credit Union. As noted above, as recently as May 5, 2010, defendant continues to file documents consistent with her redemption scheme with Mid Oregon Credit Union and is clearly engaged in ongoing criminal activities with the continuing potential for immediate and irreparable losses. See Attachment 7 to Exhibit A. If the government was required to give the normal notice under FRCP 65 before having its application for a preliminary injunction heard, the crimes and resulting harm to the financial institution victims would continue unabated. Accordingly, the government respectfully submits that a temporary restraining order pending a hearing on its application for a preliminary injunction is warranted.

3. Pending hearing on the proposed Order to Show Cause, submitted herewith, plaintiff seeks an order restraining and enjoining defendant from the following:

- (A) Filing, recording or presenting any document to any financial institution, creditor, state or county recorder, or to any Department or Agency of the United States, intending to discharge any debt through the use of any Registered Bonded Promissory Note, or to attempt to enforce the discharge of any debt based upon a previously presented Registered Bonded Promissory Note, by filing, recording or presentment of any of the following documents:
